

Beyond Economic Repair (BER) Inspection

Dear valued customers,

As per directives from the Ministry of Transport, vehicles classified as “Beyond Economic Repair” (BER) by insurers must be inspected by PUSPAKOM after completion of repair work [B2(85)] to ensure they meet the required legal and roadworthy standards.

To schedule an appointment on MyPUSPAKOM, follow the steps below:

- 1 Select “Khas”
- 2 Choose Reason #1: “Pelepasan Status Kenderaan BER”
- 3 “Arahan JPJ” will be marked automatically
- 4 Proceed according to the provided instructions

Please bring the following documents to the “BER” Inspection:

- Original of VOC / JPJ.K2 / “Maklumat Terperinci Kenderaan”
- Approval letter from the Road Transport Department on **“Penukaran Struktur Panel Kenderaan Kemalangan”* that highlights components changed
- Letter of modification from Workshop
- Colour photos of the vehicle before repair
 - Four sides of the vehicle: front, rear, left and right (two pictures per page)
 - Chassis number
- Colour photos of the vehicle after repair (before painting)
 - Four sides of the vehicle: front, rear, left and right (two pictures per page)

***Vehicle components that require approval letter from the Road Transport Department:**
