TRADITION MEETS TRANSFORMATION: PUSPAKOM's Ramadhan *iftar* highlights legacy and community

Shah Alam, 24 March 2025 – In the spirit of togetherness and gratitude, **PUSPAKOM** hosted a special Ramadhan *iftar* on 24 March at Glenmarie Hotel & Golf Resort, bringing together over 200 guests, including media partners, senior citizens from Rumah Seri Kenangan Cheras, and the company's leadership team.

Themed "*Tradisi Disyukuri, Ramadan Mubarak*", the event was a heartfelt tribute to the strong bonds PUSPAKOM has built over the past **three decades of service** in road safety and vehicle inspection. It also served as a meaningful occasion to appreciate media friends for their support and to honour the elderly, whose wisdom and experiences reflect the values of resilience and transformation that PUSPAKOM upholds.

"This *iftar* is a moment of reflection and appreciation for our media friends who have journeyed with us, and for the senior citizens who remind us of the strength in perseverance," said **PUSPAKOM's Chief Executive Officer Mahmood Razak Bahman**.

He added, "As PUSPAKOM undergoes transformation, we embrace our legacy with gratitude and move forward with renewed purpose".

A key highlight of the evening was the "Duit Raya" handover ceremony for 20 senior residents of Rumah Seri Kenangan, Cheras and 10 of their caretakers. The event also featured a heartwarming video montage capturing the Ramadan memories of the elderly guests, reinforcing the importance of tradition and shared values.

Guests were also treated to an **exclusive preview of the final episode of the company’s web series, “Inspection Hati Aidil”**, which is a branded content pilot produced by PUSPAKOM to highlight the integrity and resilience of their Vehicle Examiners. The preview, while a part of the night’s activities, complemented the larger purpose of the event – celebrating relationships, tradition, and transformation. This series is exclusively available on the PUSPAKOM YouTube channel: [@puspakomofficial](https://www.youtube.com/@puspakomofficial).

As PUSPAKOM moves forward into a new chapter, this iftar served as a reaffirmation of its **commitment to community, integrity, and progress**. The night concluded with a group photo session, marking a memorable occasion of gratitude, unity, and reflection.

“For 30 years, PUSPAKOM has set the **benchmark for vehicle inspections and road safety**. Now, as we enter a new phase, we are doubling our efforts in **service excellence, innovation, and integrity** to ensure every vehicle on Malaysia’s roads is safe,” Mahmood added.

“Our commitment remains unwavering. **Road safety is not just our responsibility - it is our legacy.**”

ABOUT PUSPAKOM

After 30 years of concession, and with the liberalisation of the industry, PUSPAKOM is now Malaysia's first vehicle inspection licensee.

Our primary role is to perform vehicle inspections to assist vehicle owners in ensuring their vehicles are in roadworthy condition and comply with environmental regulations through emission testing. This is achieved through rigorous and thorough inspections to ensure compliance with government safety regulations.

We have a network of 53 inspection centers nationwide equipped with recognized and calibrated equipment. Additionally, we have 30 inspection visiting sites that provide vehicle inspection services in less populated areas and rural regions.

PUSPAKOM's Mobile Inspection Services include Mobile Truck Unit (10 units), Mobile Van Unit (36 units), and Light Mobile Unit (4 units), offering door-to-door vehicle inspection services to our individual and corporate customers. We take pride in delivering fast, efficient, and accurate vehicle inspection services in a professional manner.
